Mercury furtlebes ample gaugety that its future for the part already encued in the part already encued course will lie inflexibly clong time notes path. Its of Rome has always disputed, and to adjust the inadjust the inof Rome has always disputed, and to adjust the intribute and a constant subject of controversy is a constant subject of controversy is a constant subject of controversy is settled in various that power and the Roman Catholic governments, and that controversy is settled in various the region of the State in which it is published, but the region of the State in which it is published, but the region of the State in which it is published, but the region of the State in which it is published, but the region of the State in which it is published, but the region of the State in which it is published, but the controversy is settled in various the region of the State in which it is published, but the controversy is settled in various the region of the State in which it is published, but the controversy is settled in various the region of the State in which it is published, but the controversy is settled in various the region of the State in which it is published.

Concordate.

When the review of England repudiated the whole papel claim to any portion of this power, the emission of the composition of this power, the emission of the control of the people by that very commission which our neighbor has employed. by representing that the crown was neuroling the this vigorous and fer then champion of the least the country of the Champion of the Champion of the Lentral Kentuckian, Mr. Joseph This misorable and very confusion which our neighbor has employed.

by representing that the crown was unurping the spiritual power of the Church. This miserable and unworshy trick Quean E trabeth exposed in an injunction dated 1559, and entitled "An Admonition to Simple Men Deceived by Malicious." The 87th Art, of the Church of England, entitled "of Civil Macistrates," places the whole matter just as it cause of the Deposition. We hope that the friends Macistrates," places the whole matter just as it in his region will appreciate his important services.

Sates, and with the power which he claims in all dictionary contains the "true exposition" of that the world, is an imposition upon the sense end platform? Whose "doxy" is the right doxy? 1knowledge of his readers of which our gelighbor | Bachanua ortholog and I) at les h territor, or is the at some of those much abused readers will make

The Pope as Head of the Church has the sole and aclusive and undisputed control in the "ecclesias" lag the candidacy for the in meaning overnorship. sclusive and undisputed control in the "ecclesias. tical States." He claims the sama suprems power II that had been refused be would have taken anyeverywhere, and the ecc enlastical States are simply used as the fulcion for which Archimides wished,

cost in the a serion that Roman t atholics act relly mab a other people act to matters of free undicates us from the charge of precation, and love of a donkey duser for the ans-a tender desire

ing a iversal dominion, by Divine right, over all to an unbroken series of decretals and a ta founded said Liano Boyd was dear to the people. Well, he upon them from the finer of Hildebr nd to the bas been rather an explusive suject for about a Not one of them has ever been re- score of years, and would be dear at any paine.

But these claim were hold and i npi us definees v ing to the ins me . of hum aurts; and me the liries to a history of the conflict between the e monever been atterly extinguished and put down any the "et lemastical states," it has often gloriously ainst it, and this malign priestly despotism is Napoleon. All that we have done is to expose the name of this power, and to illustrate that nature of this Mortara enormity, this claim to supersede the laws of God and to trample upon the rights of

We have never accused the Roman Catholics of this country of a wish to introduce or to submit to can han tempation. On the contrary, we believe that they would resist it, as their co-religionists in fingland and to France and in Italy itself have done But it is necessary that we and they, and than all men who mean to be free, should be aware of the axistence of this claim and of the machinery by $\frac{1}{8}$, $\frac{1}{1}$ which it has been enforced, so that we may all be I car guard, and resist the beginnings of an evil In concedion with the Mortara outrage we give

human ty, which is even now in process of perpetra-

the following little moreau of history, which may possibly be refreshing to our neighbor. It was not In the dark ages, it was in no period of harbarian ignorance, but in the most glorious day of European learning and literature, that the Pope excomnizated Queen Elizabeth, absolvad her people mand and charge all and avery the noblemen, subjects, people and others aforesaid, that they presume not to obey her or her orders, mandates, and laws; and those which shall do the contrary re do include them in the lake sentence of anathe power over the government and people of soning words of the decree. "lle that reigneth on high, to whom is given all power la beaven and in earth, bath committed His one Holy Catholic and Apostolic Church, out of which there is no um to Peter the chief of the Apostles, and to Peter's successor, the Bushop of Rome, to be by ham governed with plenary authority. Him alons both he made prince over all people and all king-doms, to plack up destroy, a catter consume, plant, The Earls of Northamberland and Westmorely

tuving failed in their attempt to execute this Bull by an insurrection, the more fanatical Romanists of England were in a sad case. If they obeyed the Pope they were hang for treason; and if they obeyed the call government they were damped by the pathetically represented at lione, gave rise to the following action there:

following action there:

"Faculties granted to the two Fathers, Robert Parsons and Edward Campian, for England, the 14th of April, 1580.

"Let it be asked or required of our most holy lord the explication or meaning of the Bull declaratory made by Pins the Pifth against Elizabeth, and such as a subset to or obey her, which the Catholicks desire to be understood in this marner, that the same Bull shall always lind her ard the heresticks, but the Catholicks it shall by so means thind, as matters or things do now stand or be, but hereafter, when the publisk execution of that Bull may be had or made."

The conclusion is thus given: The conclusion is thus gives:

The concusion is thus given:

"The highest portife or bishon granted these fore, said graces to Fathern Resert Parsons and Edmund Camplan, who are now to trke their journeys into Eagland, the 14th day of April in the year of our Lord 1580, being present the Father Oliverius Mannets and sand the present the Father Oliverius Mannets and sand the present the Pather Oliverius Mannets and the pather of the Pather Oliverius Mannets and the pather of the pather o

AFFAIRS IN WASHINGTON -

AFFAIRS IN WASHINGTON — Inspector telegraphs to the New York Courser under date of the 7th:

This command to destroy the Protestant govern ment of England, coupled with the "greec" vonet, eafed to the Papal subjects that it should not be binding on them rull's portunity occurred, has not to this day been for purelly renewed, and it stands now as valid as ever, to bind all parties "hereafter, when the publish of excenting of this rull in lenser of the Board of Assemblare Translating and the in of this and isomomerate blied on made." Is not the assense of the Papal which is the order of the form of the Papal calim which incited the Martara crime? Is it not the same soul crushing and God-bif ing power, pleading the authority of God as its sanction? Many of the Eaglish Romanists in the time of their owners of the Papal calim in strong in the epiconic direct of the soules of the reaching of the Papal claim in strong in the epiconic direct of the soules of the Papal claim in strong in the epiconic direct of the second and the Papal claim in strong in the content of the Papal claim in strong in the content of the Papal claim in strong in the content of the Papal claim in strong in the content of the Papal claim in strong in the content of the Papal claim in strong in the content of the Papal claim in strong in the content of the Papal claim in strong in the content of the Papal claim in strong in the content of the Papal claim in strong in the content of the Papal claim in strong in the content of the Papal claim in strong in the content of the Papal claim in strong in the content of the paper condemnation of the paper condemnation in the second and the Papal claim in strong in the content of the paper condemnation of the paper condemnation in the paper condemnation of the paper condemnation of the paper condemnation in the content of the paper condemnation of the paper condemnation in the content of the paper condemnation in the condend of the content of the paper condemnation in the condend of the content of the pap

Join is that another that such a cistus is now or evar has been made, and speaking only from their cwn bas been made, and speaking only from their cwn was breached in the New York and Washing. lowed to believe that such a claim is now or ever has been made, and speaking, only from their own honest consciousness of what ought to be, they are indignant when such a monstrous crime against home mainty is charged upon the head of their thurch.

But the facts of history to this effect are patent, and cannot be resisted except by those who will not set, and the current ects of the same power in our day are the same power in our day are the same effect and coupliv conclusive.

The message and be other of \$10."

The message and be other of \$10."

See first page for city a tvartmements. Co The following appeal speaks for itself and abould have an irresistible influence upon the charitable of our city. We have heretofore, with emoone of great pleasure, called attention to the labors of the Association, which endeavors to relieve per ury from a sense of degradation, and tries to give suffering women an opportunity of obtaining em-ployment without requiring electrosynary as ext-The exigencies of the sines have taxed their e genial hand of assistance to support them in thei efforts. Shall it be withheld, and will nur cit-2:00 permit the indigant widows, wives, and mo h of Louisville, "your aid is wanted," without meeting a generous response. We have Lever before made a call npon the literality of our city when relief, trompt and officent, was more needed and we have the conof, prompt and efficient, was more needed, and we therefore trust that such a response will be given to the subjuined call as will enable the ruble Associaton to continue their good works without interruption, and cheered by an assurance that the sympa-thies of our citizens are with them. The appeal hardly nords enforcement-it demat da immediat activer, and, our word for it, there will be a notile, generous response, worthy of Louisville, her MI-

etligence, charity, and wealth TO THE CHIZENS OF LOUISVILLE The Relief and Employment Association respectly and earner by make your compension. It was a superstance of the Association has been in examenated than users appealed to you to wan. The particles which govern it are well understood by you learn the particles.

ekness and overwhelming introvace control of the Association is in the public of self-anpport. The working department of the Association is in a long-cation. Trirty seam tresses are now contractly employed at the sewin resons in Mr. Needlands a huilding on Je ff room street, and the number is steadly increasing. The Association work in seed the experiment of the department; to provide fuel for the chard-working women, a justice fuel for the chard-working women, a

alle, or who do work Jail, with their usinest evertours, are another to procure sufficient food and furl
or themselves and children.

The following gentli men have been appointed cod
one of some of the treeds whose manes are aptended have very often been called on to tender the
sorvice, but the bearmones with which they have
condered it and the success which has attended their
aversions, must be the Association's excuse, if exuse he need it, for asking them a sinital take bours
room their valuntle time for a task which is not alsays pleasant, even though it is a labor of love.
